

• RECENT PROFESSIONAL EXPERIENCE •

Meg Lemieur Art Owner/Operator 2018-present

- Meg Lemieur Art , a nature-focused art brand, specializes in creating intricate and captivating illustrations inspired by the wisdom, wildness and beauty of the natural world. These illustrations are sold at art markets as illustrated art prints, stationary, home décor, home goods, accessories, and books.

Freelance Self-Employed Freelance Illustrator & Graphic Designer 2008-present

- Meg is a motivated and creative illustrator and graphic designer with two decades of experience working with a diverse range of clients. Meg’s innovation, care and flexibility shine in her work ethic. Her expertise is in drawing animals, natural settings, and urban scenes. Through her freelance work, Meg takes commissions from individuals, organizations, and large companies.

Teaching Educator and Facilitator 2019-present

- Meg teaches a variety of classes and workshops focused on drawing and understanding the intricacies of the natural world. Each class covers natural sciences, drawing techniques, and an overarching ethos around creating.

Community Capacity Builders Community Engagement Coordinator, Consultant 2019-2025

- Meg is a motivated and creative community engagement coordinator with close to a decade of experience working with a diverse range of communities. She is skilled in promoting and implementing interactive programming, facilitation and program development. Meg’s flexible leadership brings projects from ideas to completion. Working either independently or as part of a team, Meg’s mission-driven ideology ensures a powerful combination of thoroughness and enthusiasm to all her work.

People’s Emergency Center CDC Marketing Manager, Illustrator, Graphic Designer 2014-2018

- Meg created and implemented marketing campaigns for events, fundraisers, and organizational visibility.
- Meg illustrated and designed funder packet, infographic-based reports, monthly newsletters, brochures, and all marketing material.
